

ENGINEERING CHALLENGE CUP 2020

Bulletin 10 ECC2020 Call for Information

Skippers Checklist, to do's towards us as OC:

Crewlist: ready and complement. It is highly important to use the format available on the website under: <https://eccsailing.files.wordpress.com/2019/06/2020-ecc-crew-list-master.xlsx>

We have only received 28 crewlists out of 50 boats up to now

We have to order the polo shirts with the sponsor logos soon because of delivery time, so we need the right number and sizes before February 15th at the latest.

Sponsoring: We have received positive feed back on sponsoring, many thanks for that! The applicable logos will be presented on the website, polo's and communication after receipt of the contribution on our ECC bankaccount.

Coming Soon, the "ECC2020 Event App":

This year we will issue an event app for on your smart phone / tablet and it will be available for all skippers and crew! Here a preview of the app:

As soon as we have the crewlists complete, we are able to sent out an inviation email to all of the crew and skippers.

Racing Rules: On the website, under the tab notices, we have also added a document and a chart with the Racing Rules of Sailing (2017-2020) for those who are interested.
