

Bulletin 06, December 15th, 2020 ECC 2021?

Dear Skippers and Commodores,

Last Thursday we had an OC team meeting where we mostly socialized as we are missing our PUB gatherings due to governmental rulings. Thanks to Cees to open his house for this pleasant evening. Of course 2020 has been a particularly challenging year with the global pandemic severely hampering our racing plans and changing the way we work and go about our lives. Like every other business and organisation, we had to adapt to interesting innovations such as on-line meetings. We had a surprising outcome of a POLL about the chance to have our ECC event next year in May 2021. Two maybe's and 4 negative expectations crossed the table with diverse motivations. We as OC stopped making scenarios as it came out to be obsolete every time, however Thursday's outcome made me curious how all of you look to the future under present circumstances.

Will we have an ECC event next year?

We would appreciate any feedback on this question before the end of this calendar year. A simple **Yes**, **Maybe** or **No** will do as an answer. We will share the outcome of this POLL in the first week of January. Although the pandemic is a very serious issue, we do not consider yoking about this, it might lighten up our situation a bit. Further note, the outcome of the POLL will not be binding, it is just a thermometer opinion.

We would like to thank you for your continuous support and the trust you have in us. We look forward to meeting you on the race course in the beautiful Mediterranean waters of Croatia.

Merry Christmas and a healthy new year!

The ECC goes beyond the horizon, but does not disappear, we remain looking forward to a joyful time and request for your understanding and support.
