

ENGINEERING CHALLENGE CUP 2022

Bulletin 04

September 29th, 2021

REGISTRATION ECC2022!

Dear Skippers and Commodores,

We are happy to announce that 8 skippers confirmed participation for 2022. Further we have 3 new skippers on the waiting list.

Last year we booked 50 participants, so some skippers still need TO REACT!!!

We are working on bookings for the fleet for next year at the moment we write this bulletin, so we really need to know who will participate!!!

Sasha and or Eva might get in contact with you as well, some of our mail might end up in the spam folder as we have many recipients.

Please find attached the revised DISCLAIMER for you to sign and return it by mail.

There are still some free places available before we reach the maximum fleet of 54 Yachts, Closing date is October 17th.
