

ENGINEERING CHALLENGE CUP 2022

Bulletin 05

January 9th, 2022

“HOLLIDAY

OPTION“

Dear Skippers and Commodores,

The OC team wishes all Commodores, Skippers and Crew a Wonderful, Sailable and Healthy 2022!

We closed the entry list at 53 boats participating in our ECC 2022. Please check your entry in the attached entry-list we also uploaded on our website: www.eccsailing.com/notices

We have been very fortunate to keep most of the fleet, as originally booked, for the last couple of years and on the one-way route that is not so often offered, Trogir – Dubrovnik. Even with the changes in the fleet that have been happening in the last two years, there are supportive charter companies out there that were happy to give us their boats for the ECC. However, it has not been so easy for them to advertise the return charter, on the returning leg Dubrovnik – Trogir, for the week after the ECC (14 – 21 May). So they have asked us to offer those discounted opportunities to the ECC crews in case any of you are interested in staying another week for a leisurely charter with your friends or families, on the route Dubrovnik – Split. This would also mean that your flights would need to be Split – Split.

Please consider those opportunities and feel free to share them wherever you see fit. We'd like to reciprocate the commitment of those charter companies and help them book the charters. Here is the list of the boats and rates (there are no one-way fees):

- [ELAN 50 IMPRESSION \(2017\)](#) – Weekly charter rate is €2,750 – discount = €2,338 + extras
- [BAVARIA 51 CRUISER \(2018\)](#) - Weekly charter rate is €2,850 – discount = €2,423 + extras
- [ELAN 50 IMPRESSION \(2016\)](#) - Weekly charter rate is €2,700 – discount = €2,295 + extras

ENGINEERING CHALLENGE CUP 2022

- [BAVARIA 46 CRUISER \(2017\)](#) - Weekly charter rate is €2,250 – discount = €2,025 + extras
- [ELAN 45 IMPRESSION \(2018\)](#) - Weekly charter rate is €1,950 – discount = €1,755 + extras

Please email sasha@highpointyachting.com or eva@highpointyachting.com if you'd like to take up one of the offers.

Covid will not be over during our next event and as situations and rules change continuously, we can't foresee the rules we have to face at time we will gather in Trogir. We recommend you, to start early in investigating which rules may apply to you. Recent experience traveling to the UK, Germany and Switzerland resulted in several surprises. Rules and communication about the rules are in a learning curve everywhere. "We are traveling!!!"

Recommendation in addition to the Guidance document published earlier, that all skippers and crews should acquire fully comprehensive travel insurance, including, essentially, cover for Covid/pandemic interruption risk.

Important dates:

Balance due date final boat fee : 01-02-2022
Crew-list due date : 01-02-2022

The new year has started with the Netherlands in a lock down again and with exploding numbers of positive corona tests. We think about those who faced losses due to this pandemic, how sad this must be for so many. Let's hope we stay safe or recover well if there is an infection. And don't forget that things have improved enormously from two years ago. We hope things will only get better.
