

ITALY - SICILY - MARSALA

28<sup>th</sup> Engineering Challenge Cup 2023

**ECC 2023 – Bulletin 5**

**26<sup>th</sup> November 2022**

## **Boat Selection and one-way San Vito-Marsala**

**Dear Skippers,**

We are happy to announce that **Marsala** will stay as the destination of the last leg but the starting point of the ECC 2023 route and location for the welcome party will be **San Vito Lo Capo** with its beautiful sandy beach.

Thus, ECC 2023 will have a **one-way route** from **San Vito Lo Capo** (06.05.2023) to **Marsala** (12.05.2023).

The entry list has been closed since the 4th bulletin publication (04.11.2020) but we keep the **waiting list still open** for last minute subscribers and we will try our best to find a solution to make them participate.

### **Boat Selection Process**

We are now ready to proceed with the **boat selection** among the **47** registered and confirmed **skippers**.

The sequence that the skippers will follow to choose their boats is established by a random lottery, made by Sasha, with the same method used in the last years.

The boats will be selected from a **Boat Selection Sheet** where a **Small, Medium, Large** fleets as well as **Commodore's** fleet are offered and which generally suit the preference each skipper expressed during the registration phase.

The **Lottery Results Sheet** contains the list of the participant skippers and a Boat Selection Sequence number for each of them. The sequence is actually divided in four separated sequences, one for each S/M/L/C fleet.

Today, **26 November 2020**, the **Lottery Results Sheet** and **Boat Selection Sheet** are **published** on the [www.eccsailing.com](http://www.eccsailing.com) site in the [Bulletins](#) page.

Starting on **Monday 28 November 2020**, every skipper will be contacted by of **Sacha (High Point Yachting)** and **Nidoela (Sailogy)** via e-mail in the order established by the boat selection sequence. HPY will invite each skipper to choose one of the boats from the **S/M/L/C** fleets shown the in the Boat Selection Sheet.

All skippers are kindly requested to be ready to answer HPY soon with their boat selection.
