

# Engineering Challenge Cup (ECC) 2024

## Bulletin 4

October 30<sup>th</sup>, 2023

Dear ECC friends,

We are happy to inform you that 48 skippers have now successfully registered for participation in ECC 2024.

Therefore we will now proceed to the next step: the boat selection.

The lottery for the boat selection of the ECC 2024 was conducted by High Point Yachting (HPY) in Oxford UK. Please find attached to the e-mail the results of the lottery.

For you to select a yacht a list of available boats is also attached to the e-mail to make your 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> choice.

Starting Wednesday (1<sup>st</sup> November 2023) the skippers will be contacted by HPY (Sasha or Eva) via e-mail - in order of the Boat Selection Sequence. HPY will invite you to select your preferred boat from the (S/M/L/C) fleets shown in the Boat Selection Sheet.

All skippers are kindly requested to be ready to decide soon on their selection

We would very much appreciate your swift response with the signed charter contracts and the first deposit payment, as the boats were prepaid two months ago.

All bulletins will also be posted on our well known website [www.eccsailing.com](http://www.eccsailing.com).

Looking forward to hearing from you soon.

Kind regards,

Allard de Vos Klootwijk and crew of boat 8  
Commodore and OC of ECC 2024
